LOGGING INTO YOUR IRBMANAGER ACCOUNT AS A COMMITTEE MEMBER

You can log into IRBManager with your Oklahoma State University (OSU) issued Okey credentials (i.e., your email address and password). If you are not affiliated with OSU you must request access to IRBManager by completing the request access to IRBManager form located on the University Research Compliance website (<https://compliance.okstate.edu>).

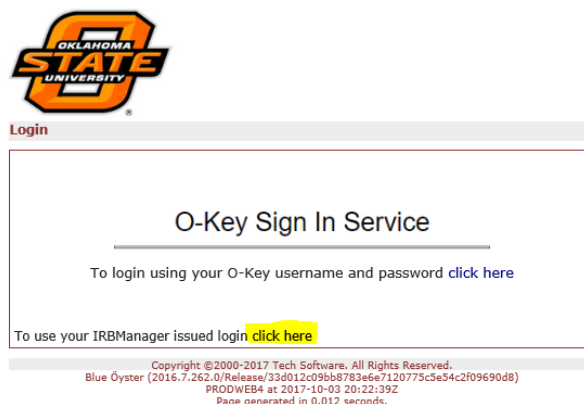

Sign into IRBManager w/OSU Okey credentials (i.e., faculty, staff, and students)

1. Navigate to <https://okstate.my.irbmanager.com/>
2. Click on O-Key Sign In Service and sign in with your OSU Okey email address and Okey password.

Sign into IRBManager w/IRBManager credentials (i.e., non-OSU personnel)

1. After you have requested access to IRBManager you should have received an email notifying you that your IRBManager account has been created for you.
2. Navigate to <https://okstate.my.irbmanager.com/>
3. Click on “click here” next to “To use your IRBManager issued login”.

Accessing the IRB Member's Meeting Material

Follow the instructions below to access the IRB meeting materials.

1. Once logged into IRBManager, click on the [Meetings] button located in the upper-left-hand side.

2. Next, you will see upcoming meetings listed for IRB.

3. Click on the papers icon to view the agenda.

4. Next, in the center of the screen click on the "Event" link next to the study you wish to review.

5. You can download any IRB study attachments pertaining to the study by clicking on the "Attachments" link under the heading "Actions".

6. Attached documents will be listed under "Attachments" and any IRB Office generated documents will be listed under "Generated Docs".

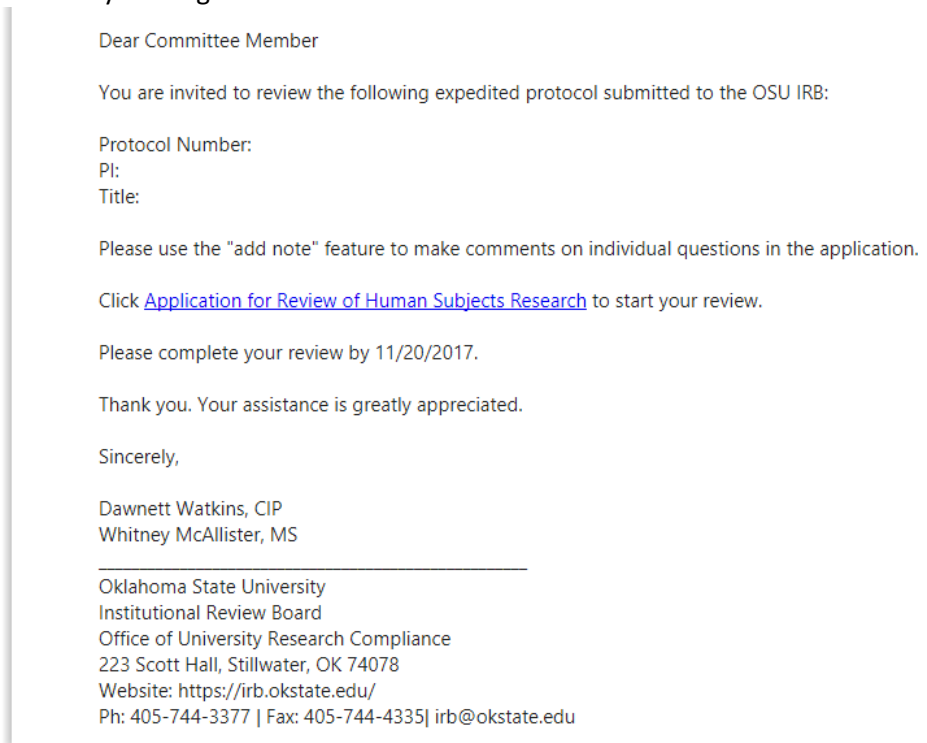

COMPLETING A REVIEW

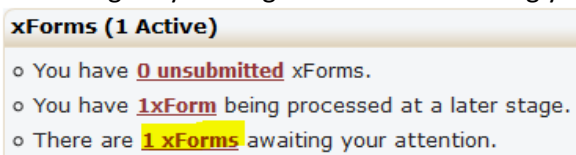

Accessing and Completing a Review

Follow the instructions below in order to access and review protocol applications assigned to you.

1. You will receive an email from the IRB Office email, irb@okstate.edu, informing you of the need to complete a review on a protocol. You can access the protocol you have been assigned to review by clicking on the link within the email.

2. Additionally, you can access the protocol you have been assigned to review from within IRBManager by clicking on "xForms" awaiting your attention.

3. Next, click on the protocol application you wish to review.

4. The protocol application will open and you can begin your review.
 - a. For instructions on adding notes please refer to the section "[Adding Internal Notes \(IRB Office Only\), Notes to the PI, and Requiring the PI to Address Changes](#)".

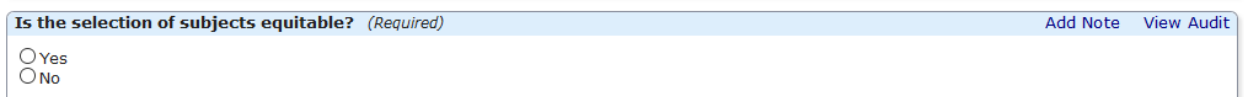

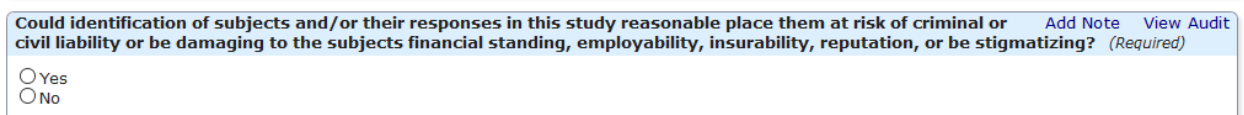

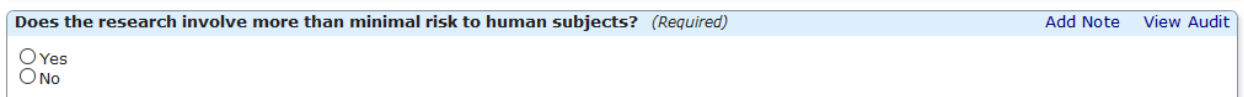

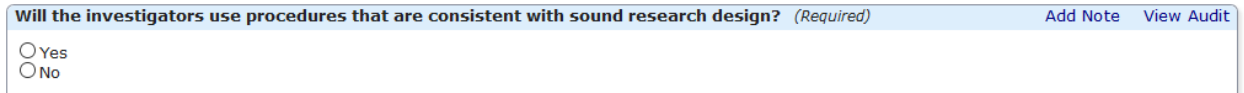

- You may jump to any part of the application by selecting the part from the dropdown menu located in the top-center of the page.

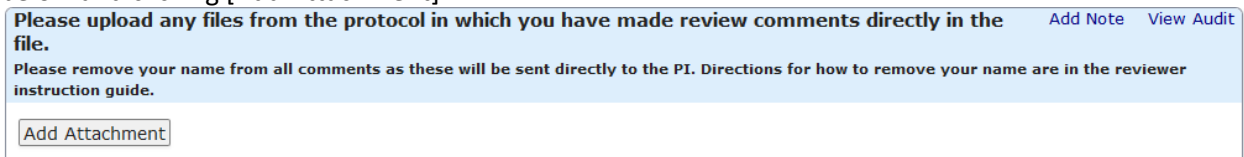

- Next, click on the button [Next] located at the bottom of the application.

- You can download the protocol attachments by following the instructions in the “[Review Protocol Attachments](#)” section.
- You will be required to answer a list of questions prior to completing your review.

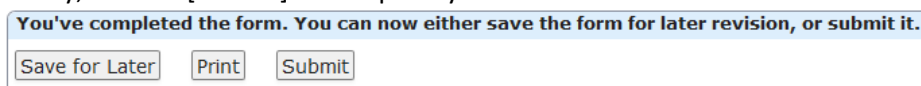

- You can upload any protocol attachments you provided comments on by looking for the section below and clicking [Add Attachment].

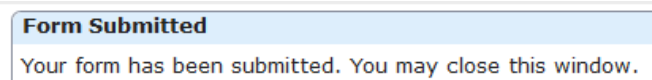

- Next, click on the button [Next] located at the bottom of the application.

- Finally, click on [Submit] to complete your review.

- You will receive confirmation that you review has been submitted.

Adding Internal Notes (IRB Office Only), Notes to the PI, and Requiring the PI to Address Changes

Follow the instructions below in order to add notes

- Clicking on [Add Note] next to any question will allow you to add a note to the IRB Office and/or the PI.

2. Once you have entered any notes and selected the appropriate checkbox (Internal Note Only, Require Changes) you will need to click [OK].

Submitter Add Note View Audit

Enter Note:

Internal Note Only
Require Changes

OK Cancel

Email: Phone:

3. If you wish to add a note for only the IRB Office to see, ensure that “Internal Note Only” is checked.

Submitter

Enter Note:

Internal Note Only
Require Changes

OK Cancel

Email:

4. If you wish to add a note for the PI to see, ensure that “Internal Note Only” is not checked.

Submitter

Enter Note:

Internal Note Only
Require Changes

OK Cancel

5. If you wish to require the researcher to address the changes mentioned in the notes you can check “Require Changes” which prohibits the researcher from resubmitting the application without addressing the issue(s).

Submitter

Enter Note:

Internal Note Only
Require Changes

OK Cancel

Reviewing Protocol Attachments

You can download any of the protocol attachments and review them.

1. Look for the section titled “Protocol Attachments”

The screenshot shows a web interface for uploading documents. At the top, a blue header contains the text: "In this section you will upload all needed documents for the IRB to process your application. You are able to upload more than one document per category." To the right of this header are two links: "Add Note" and "View Audit". Below the header, there are several sections with their respective instructions and example attachments:

- Curriculum Vita's (CVs) or Resumes for Study Personnel**
Please attach CV for each PI, Co-PI, and Adviser that indicate qualifications and training to conduct this study.
Example attachment: **test CV.txt** CV's/Resumes
- Recruitment Materials**
Submit with this application a copy of all materials to be used to invite subjects to participate. They should be in a format appropriate to your recruitment method. E-mails should include sending email address and subject lines as well as opt out links.
Example attachment: **test CV.txt** Recruitment Materials
- Supporting Materials**
Please attach copies of all supporting materials such as surveys, measures, demographics, interview questions, focus group questions, debriefing scripts, photo releases, deed of gifts, and procedure guides.
No answer provided.
- Adult Consent Form**
Please attach a copy of the adult consent form to utilized in your study.
Example attachment: **test CV.txt** Adult Consent Form (English)
- Letters of Support and/or Permission**
Please attach permission and/or support letters, authorization agreements, data sharing agreements, etc. if needed.
No answer provided.

2. Once you have downloaded the protocol attachments you can review them by using the add comments feature in Adobe Reader/Pro. If the document is not in Adobe PDF format you will need to save the document as an Adobe PDF document first.
3. Click on the button “Comment” located in the upper-right-hand corner.

4. Click the sticky note icon and proceed to add notes to any section within the Adobe PDF document.

5. Save the document with your comments. You may wish to sanitize your Adobe PDF document prior to uploading to IRBManager. Please see the section “[Sanitizing your Adobe PDF documents prior to uploading into IRBManager](#)” for details.

Converting Microsoft Word documents to Adobe PDF

You can easily convert Microsoft Word documents to Adobe PDF

1. Open your Microsoft Word document.

2. Click on the [File] tab and select “Save As”.

3. Next, select the location to save the converted document and select “PDF (*.pdf)” from the “Save as type” dropdown menu.

4. Click [Save].

Sanitizing your Adobe PDF documents prior to uploading into IRBManager

You can easily sanitize your comments made in an Adobe PDF file by following the instructions below.

1. Open the Adobe PDF document you wish to remove your name from the comments.
2. Click on the button [Comments].

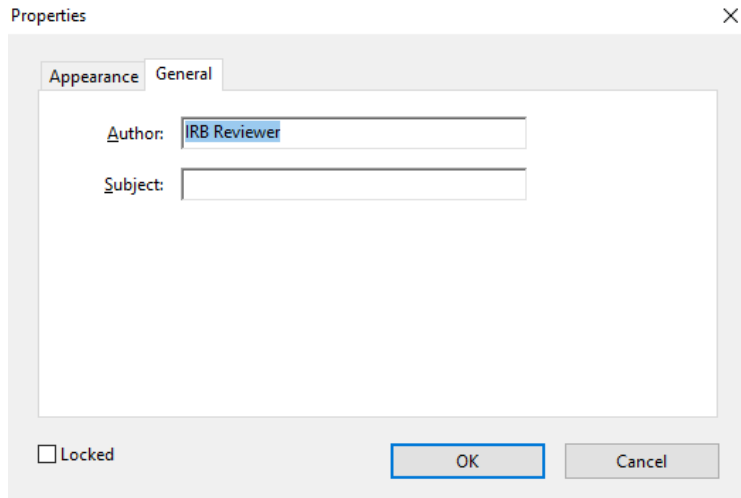

3. Next, click on the heading “Comments Link”.
4. On your keyboard click [Ctrl] + [A] in order to select all the comments.
5. Right-click on any of the comments highlighted and click on [Properties...].

6. Select the “General” tab.

7. In the field “Author” type in “IRB Reviewer”.
8. Click [OK].

9. Next, you will notice that all comments entered now have the author of “IRB Reviewer”.

10. Save your Adobe PDF document.

VIEWING ALL AVAILABLE QUESTION OPTIONS

If you wish to view all available question options in the IRB Application form you can following the steps below.

1. Once signed into IRBManager, under the heading “Actions”, click on “Start xForm”.

2. Click on the printer icon located next to the form name “Application for Review of Human Subjects Research”.

Select xForm to start

Action	Form (Click to start)
	ACUP New Submission
	Application for Review of Human Subjects Research
	Request of OSU System E-mail Addresses

3. This will open the form and display all available options for each question. Each of the options below are highlighted.

**Please indicate your position/rank.
(Required)**

⇒ Select *one* of the following options from the list of radio buttons presented:
 Faculty Postdoctorate Fellow Graduate Student Undergraduate Student Staff
